24/07 Matters Arising:**(a) Affordable Housing Project:**

The decision made at the last meeting to give up the lease on land housing the play area was emailed to Mr. Harfitt the following day with a request that it be passed on to Shropshire Council's legal officer. Also included was a request to see if an agreement could be reached to continue to use the play equipment until the building work started and to get confirmation on a range of issues including that a grant of £3,000 per property would be paid to the Council when the properties were built.

Since then there has been no further information but it was understood that the owner of the land had not been contacted again regarding the sale.

Concerns were expressed that Shropshire Council may not be prepared to go ahead with the purchase bearing in mind the drastic cuts they were having to make.

(b) Entrance Signs for Villages.

In the absence of Councillor A. Harris who was dealing with the proposed project, it was decided to defer any discussion until the next meeting.

(c) Myddle Church Clock:

Councillor G. Miller reported that he had contacted three companies and to date had received two quotations for carrying out the upgrade but understood that the third one was in the process of being prepared. Once all three had been received and considered by a representative of the Diocese he would bring the figures to the Council for consideration.
